Re: Letter of Support – City of Gary & Hard Rock Northern Indiana Proposal for
Lake County Convention Center

Dear Mayor Melton:

On behalf of myself, Senior Development Manager for the American Cancer Society in Northwest Indiana, I am providing this letter of support for the proposal submitted by the City of Gary (the “**City**”) and Hard Rock Northern Indiana (“**Hard Rock**”) in response to the RFP/RFQ issued by the Lake County Board of Commissioners for a Lake County Convention Center (the “**Proposal**”).

I support the Proposal, believing that the City is the best home for a Lake County Convention Center to benefit the entire region. It is our position that the strong partnership between the City and Hard Rock presents the best opportunity for Lake County to become home to a well-run convention center that will bring about opportunities for all surrounding municipalities, Lake County businesses, residents, and organizations like ours.

Our Northwest Indiana Making Strides Breast Cancer Walk has partnered with the Hard Rock for the past four years. We have found them to be a strong, wise and excellent partner with a high priority for service and support of the local community. The Hard Rock will be an excellent partner in this endeavor.

Our hope is that, in selecting the winner of the RFP/RFQ, the Board of Commissioners will consider our support of this Proposal. The Commissioners may feel free to contact me with any related questions.

Sincerely,

Jamie Miller
Senior Development Manager
American Cancer Society
